Imagine a floor that has been aged and weathered over time with traces of past traffic and peeling paint. Its “marks” are celebrated as part of the history that makes it so appealing. Add to that charm the ease of maintenance and high quality of Italian inkjet porcelain. It is rustic but would look equally appealing in a contemporary environment. There is a lot of variation and tiles must be blended from multiple boxes during installation.

5.5" x 33" Plank

Plaster (white) 101-00740-9
