The Smoked Brick series is an authentic Italian clay brick veneer. These bricks feature a textured finish and are available in three shades of grey. The through-body coloured bricks are ideal for exterior applications, but the thin veneer format makes it possible to also use this brick in the interior of your home or office. The series is available in both 3" x 10" field pieces and 3" x 10" x 4.75" corner pieces.

3" x 10" Field
