The Tumbled Brick “Rome” is an authentic Italian clay brick veneer. The through body-coloured bricks feature a textured “tumbled” finish, and the thin veneer format makes it possible to use this brick in either interior or exterior settings. The series is available in both 3” x 10” field pieces and 3” x 10” x 4.75” corner pieces, for a realistic brick look. Available in three colours: Rome (White and Red Mix), White and Red.
